Richard Litwin Elected as Fellow of the American College of Tax Counsel

Atlanta, GA, February 24, 2022: Richard Litwin of Litwin Law in Atlanta, Georgia was elected to the American College of Tax Counsel by the College's Board of Regents at its January 28, 2022 meeting.

The Fellows of the American College of Tax Counsel constitute an extraordinary group of America's very best tax attorneys. Membership in the College is an honor reserved for those leaders who have made an exceptional contribution to their chosen profession. The College's members, called "Fellows," are tax lawyers working in private law firms and in house legal departments, teaching tax in law schools, or working in federal or state revenue agencies. They are recognized for their extraordinary accomplishments and professional achievements and for their dedication to improving the practice of tax law. Fellows must be nominated by their peers for this honor and must satisfy the established criteria and pass a rigorous screening process before he or she becomes a Fellow.

Litwin said of the appointment, "I am honored and humbled to have been selected for membership in the College."

The College serves important roles regarding the nation's tax laws by communicating with Congress, the Treasury Department and the IRS on federal tax issues and through the filing of "friend of the court" briefs in selected tax cases. The College can be found online at <http://www.actconline.org>.

Litwin was also recently named to the 2022 list of Top 100 Georgia Super Lawyers, which features attorneys across the state of Georgia – in 70 different practice areas – with the highest rankings after a rigorous multiphase selection process. Litwin has been named a Super Lawyer every year since 2008, and this is his fourth time on the Top 100 list, including 2021.
